BULLETIN REFLECTION

In today's Gospel, Peter and his fellow fishermen cast their nets out into the water, at Jesus' command, and catch a large multitude of fish.

LIVING STEWARDSHIP PILLAR OF FORMATION

The fishermen did as Jesus commanded and were surprised at the miracle they had witnessed. May we listen to and trust in Jesus, so that we may see His good works in our lives.

The Pastor's Desk
A Message from Father Peter

Our "behind the scenes" work over the last few months has borne much fruit. This past week we received formal permission from Bishop Barres through the Vicar General's office to carry out our plans to "repurpose" our three-car garage into a small counseling center and meeting space. Our general contractor is Elmer L. Henn, Inc. and we have accepted his bid for $310,000. This firm bids frequently on Catholic projects and has satisfactorily completed over 20 of them. We have a tenant eager to move in, namely Living Waters Catholic Counseling Center, currently located at St. Elizabeth's parish, which has a school that is expanding and needs more space.

This clinic will be a blessing to our parish in many ways. Be assured much thought has gone into determining the layout to maximizing use of our limited space! Special thanks to our very professional, competent, and well-informed architect Bill Hennessy, who lives right here within our parish. Paul Sepp has proven time and again his dedication and genuine high regard for our parish and its people. Paul has given hundreds of hours of service before and during Covid. Over the next few months, you are invited to go over and check on progress. Please however keep children away from the worksite and obey all rules to enhance safety!

Living Waters Catholic Counseling Center uses a

to offer complete healing of the intellectual, emotional, body and spirit of each individual which is rooted in prayer & Catholic Traditions.

St. Vincent de Paul Society

February 6: Fifth Sunday in Ordinary Time

In the Gospel today, the disciples decide to leave everything to follow Jesus. We are also called to follow Jesus, who tells us that "whatever you do to the least of mine, you do for me."

Your gift to the poor can bring the love and peace of Jesus to those who live in fear and doubt, loneliness and dread.

*Checks made payable to Society of St. Vincent de Paul and dropped in the collection baskets will help us serve our neighbors in need throughout the Greenlawn area.

Making Progress in the New Year

By now everyone who has visited the church has seen the wonderful job that was done to repair and restore the steps and slates at the entrance to the building. Not only were the workmen able to complete the job before Christmas, the parish saved approximately **$10,000** by having the railings powder coated instead of being fully replaced. The stonework will get wet from time to time, but it's difficult to control the workings of nature when it comes to precipitation! The entrance is solid, and will last for decades to come, ensuring a safer footing for everyone attending. And all agree the results are beautiful!

Soon we will see the next phase of the work that is yet to be done. Over time, the bushes and planters at the front of the building have caused water to leach down into the foundation. This will continue to happen unless measures are taken now to prevent further damage to the bricks and underlying concrete.

The plan is to replace the bushes and concrete planters with construction material that will preserve the integrity of the structure, and require little maintenance. The work will begin within the next two weeks, and we will be posting further updates on the progress of the project.

Being good stewards of our parish community also means being guardians of the church structures and property entrusted to us. We all have the responsibility to ensure that the grounds are here for the generations that come after us, and that our church stands as a testament to our community, and to our faith.

ST. FRANCIS SENIORS

The St. Francis Seniors meet each month for the chance to have cake, coffee, and great conversation, to connect with friends old and new, and to discuss recent events. Mrs. Pat McDonough leads the ministry, staying in touch with members, and checking in as venturing out sometimes carries risk. Prayers are also offered for any members who are ill or recovering. Pat McDonough welcomes calls from anyone interested in attending. She can be reached at (631) 261-4206.

LECTORS AND EUCHARISTIC MINISTERS

Each of us have a personal relationship with God, and some of us move beyond the personal into service to our faith community through the Mass. **Lectors and Eucharistic Ministers** do this on a rotating basis each month, reading Scriptural passages at Mass, and assisting in distributing Holy Communion at Mass and to homebound parishioners. Required training workshops are offered periodically. If you feel drawn to serve in one of these special roles, please contact Mr. Patrick Brennan at pjb813@aol.com.

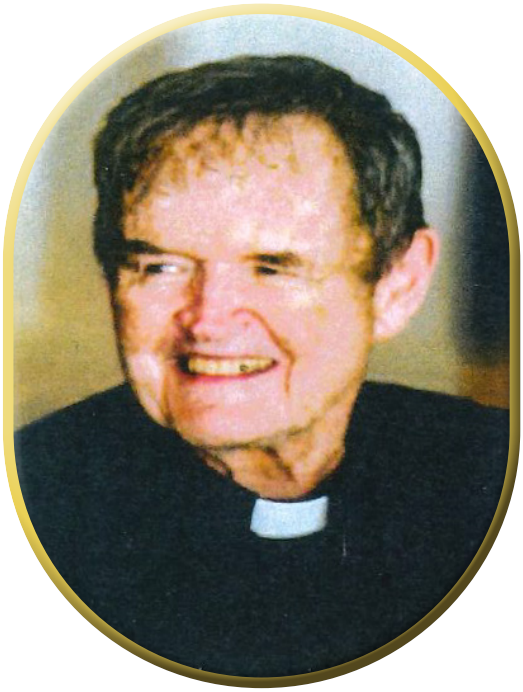
Fr. Paul Gerard Driscoll

April 18, 1938 – January 14, 2022



Where does one begin to explain the importance of the life of a true son of the church, whose love of the Eucharist, Our Lady, Sacred Scripture, and the Magisterium define his existence?

I first met Fr. Driscoll when as a priest at Our Lady Queen of Martyrs in Centerport he was conducting a meeting at the home of Gerard Crosson. Father was informing us of the efforts of a small, financially motivated lobby exerting influence on the NY State legislature to change to an unprecedented 6-month abortion law. Despite visits to Albany and heroic efforts at many of our churches, June 1970 saw the devastating NY State law promoting abortion up until the sixth month of pregnancy.

Bishop Kellenberg, seeing the need for genuine knowledge and leadership, appointed Fr. Driscoll as the first full-time priest to coordinate pro-life activities in the Diocese. His new assignment brought him to many parishes, teaching, organizing and praying for the protection of our babies, the sanctity of our families, and the establishment of critical care for mothers in need.

One of Father's many interests was American Musical theatre. Like his beloved G.K. Chesterton, he had a comment for everything, and this quality caused him to adapt more than one Fr. Brown Mystery to the stage, which tickled audiences from Molloy to Centereach. His fascination with the theatre gave way to numerous "walk on" roles on Broadway and at other venues.

As a retired priest in the diocese, Fr. Driscoll continued to labor for the good of our souls as Spiritual Assistant for two of our Lay Carmelite communities by faithfully serving our First Saturday Devotions, as moderator to many Legions of Mary, and celebrating evening Mass for our All Night Vigil for Life these past 40 years. He also served as a Spiritual Director for the Betania XIII group at St. Francis of Assisi since its inception in 2010.

When one considers the scope and depth of his life's work, it is no wonder that our own Fr. Peter has always referred to Fr. Driscoll as "the Professor." But this professor was not only embraced by the Lord because he "instructed the people in goodness." He was welcomed by Our Lady because he sung her praises.

BABY CORNER

A sure sign of a strong, caring community is how it ministers to its members in need. Often the smallest of us need the most help of all. The Baby Corner provides supplies and support that families need to get their children off to the right start. As a vital resource for new families, the ministry helps with supplies, emotional support, and referrals to other local services. Led by Mrs. Eileen Byrne, they help an average of 30-45 families with basic necessities at no cost. As babies have a way of continuing to arrive, donations and supplies must constantly be replenished. Mrs. Byrne notes that the true gift is in getting to know the families. If you are interested in helping, contact Eileen Byrne at the rectory, 631 757-7435 Ext. 2, or by email to eileenpbyrne@gmail.com.
