BULLETIN REFLECTION

In today's Gospel, we hear a part of the Bread of Life discourse. Jesus is telling us, NOT metaphorically, that He IS the Bread of Life and we are to eat of His body.

LIVING STEWARDSHIP PILLAR OF FORMATION

70% of Catholics do not believe that the bread and wine used for communion actually transform into the Body and Blood of Christ. Pray for those who do not believe in the Real Presence of Jesus in the Eucharist (Body, Blood, Soul and Divinity) and teach those about the beauty and miracle of the Eucharist.

THE PASTOR'S DESK

A MESSAGE FROM FATHER PETER

More on Pentecost!

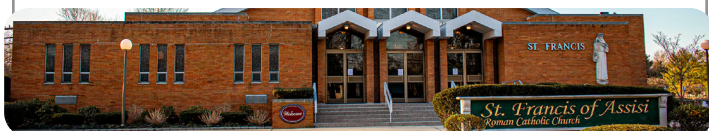

We Catholics still have a way to go in understanding Pentecost and its place in our lives. We all know that on the liturgical scale it ranks very high with Easter and Christmas! However, we need to know exactly why! Jesus said very clearly: to live fully the new Christian life we need “another advocate”- The spirit of truth. At His ascension He spoke of waiting to be clothed with “power from on high.” At our baptism and confirmation we received the gifts of the Holy Spirit but as small seeds that need to grow, to ripen and develop over time.

We have the gifts now; our living calls us to use and develop them, and grow strong in them. At the heart of the Spirit's work is a certain unpredictability and suddenness. We cannot control his coming, although in responding correctly we channel his power toward recipients! Our faith in God is meant to be a living active force of love. The True Christian is never bored! The Holy Spirit sees to that!

Learning about our faith sets all children on a path towards a lifelong relationship with God. Religious Ed prepares students for the sacraments of Reconciliation, Holy Communion, and Confirmation, and helps them develop an understanding of themselves and others. The program promotes spiritual, moral, social and cultural development so important today, and families as well as children are invited to participate fully in deepening their faith.
